Cereal Box Bird Mask

All done with that box of cereal? Don't throw it away - use it to create your very own bird mask! Follow these simple steps, have some fun learning more about birds, and celebrate World Migratory Bird Week!

You Will Need:

1. Cereal box - any size
2. Scissors
3. Construction or craft paper
4. Glue
5. Markers/crayons to decorate
6. Popsicle stick or string (optional)

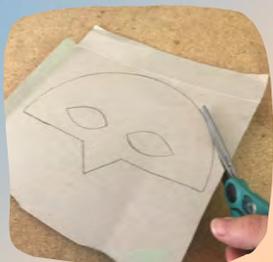

1. Open the cereal box until it is one, flat piece. Using the Bird Mask template, trace out bird mask on inside of box.

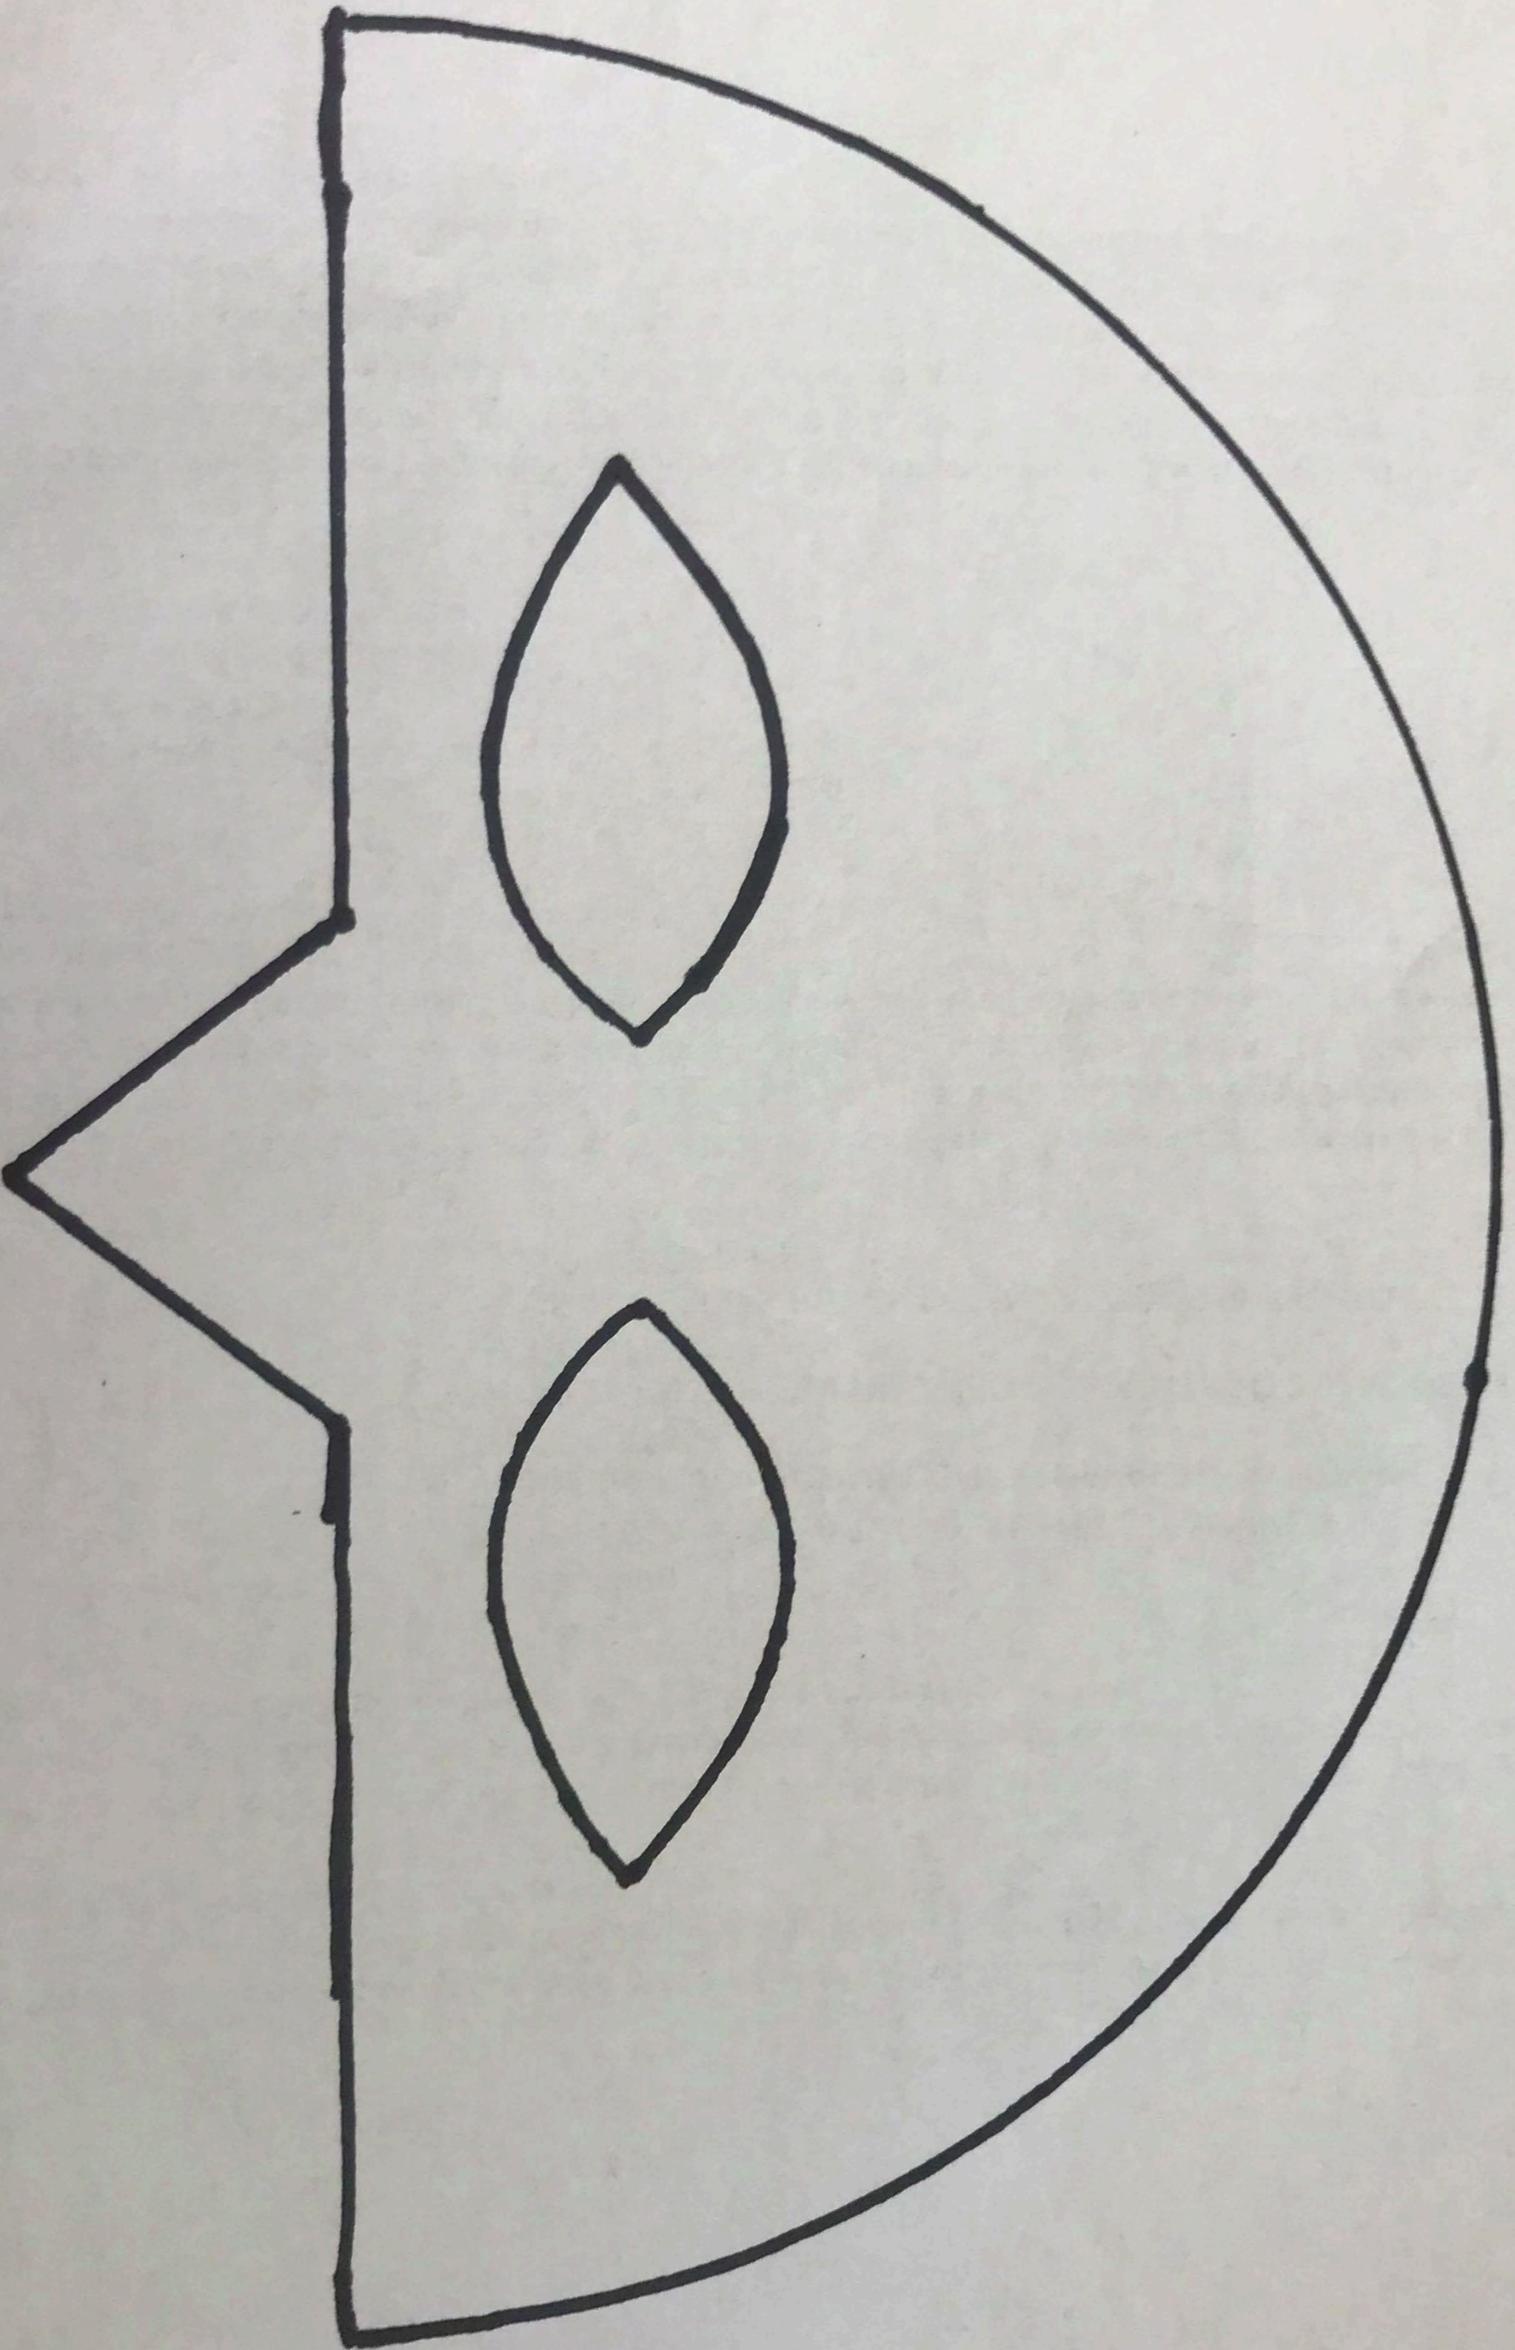

2. Using scissors cut out the mask from cereal box.

3. Decorate mask with construction paper feathers or with markers or crayons.

4. Optional: Using hot glue or tape attach the popsicle stick to back of mask to create a handle OR punch two holes on either side of mask and tie a piece of string to each side.

5. Remember to share your creations with us on Facebook @SoutheastLouisiana or email rebecca_larkins@fws.gov
