# JUNIOR RANGER AT HOME

## Recycled TP Roll Owl Craft

Using up a roll of toilet paper means that cardboard tube is ready to become something totally new! Follow these steps to create a cool upcycled craft!

### You Will Need:

- TP Roll(s) or Paper Towel roll cut in 1/2
- Crayons
- Glue
- Craft paper
- Cupcake liners (optional)

1. Fold the end of the TP Roll to form the ear tufts of owl.  
2. Look at owls pictured above.

2. Cut out 2 small circles, 2 large circles and a triangle for the eyes and beak. Glue onto the TP Roll. No craft paper? Just draw eyes and beak with crayons or markers.

3. If you have cupcake liners: cut them in 1/2, separate and glue to TP roll for owl feathers. If not use crayons or markers to add feathers. All done! Remember to share your completed craft with us on Facebook @SoutheastLouisiana.
