JUNIOR RANGER AT HOME Pick a "Sit Spot"

Find a special place in nature – this can be in your backyard, right off your porch or out on a trail.

Spend ten minutes sitting there quietly, observing the area around you.

What do you hear?

What do you see?

What do you smell?

What types of birds or animals or other creatures share this special place?

Visit this special place in nature once a day and get to know the birds that live there and which trees they live in.

Begin a nature journal and keep track of the weather, birds, trees and animals that you see.
