

Become a Southeast Louisiana National Wildlife Refuges

JUNIOR RANGER AT HOME

Spring Scavenger Hunt

Check off these cool nature sightings as you find them today... look out a window, explore your yard or take a walk.

- Find a bird & learn its name
- Listen to nature - water drips, bird songs, wind blowing
- Look for wildlife tracks and other signs of wildlife
- Find something spiky, smooth, soft, cold and rough
- Close your eyes and stand quietly for 1 minute
- Play eye spy with a friend outdoors
- Find the 4 parts of an animal's habitat: food, water, shelter and space
- Count 5 different plants & learn their names
- Find a "sign" of spring - leaf buds, wildflowers, sunshine
