

Become a Southeast Louisiana National Wildlife Refuges

JUNIOR RANGER AT HOME Wildlife Word Scramble

Everyone likes a good puzzle - here is another Wildlife Word Scramble! Answer the puzzle questions by filling in the answers to the squares and circles. Then use the circled letter to find a "code word." The "code word" is the theme for Friday's LIVE Ranger program!

I have eight legs and create an invisible home.

I am a mammal who is covered in a natural armor.

I am the larva of a flying insect. I love to eat and eat some more!

I am the state bird of Louisiana and like to catch fish in my pouch.

I am a ray-finned fish that is called a "living fossil."

Put all the circled letters below. unscramble them to write out the code word.

Code word is: _____
